

ANNUAL REPORT FY2015

FOOD *for* OTHERS

FEEDING A HEALTHY COMMUNITY

A LEADER IN PROVIDING FOOD SECURITY FOR NEIGHBORS IN NEED, SINCE 1995.

Our Community

As residents of Northern Virginia, we are all fortunate to live in arguably the wealthiest area in the history of the world. Yet there are more than 75,000 of our neighbors who, each day of their lives, face food insecurity. With your support, Food for Others helps address this need by providing free food to about 1,000 households a week. Food for Others does its work through a small, dedicated professional staff. We do our work through the generosity of our vibrant donor base, which consists of hundreds of individuals, businesses and foundations, some of which contribute \$10 or \$50, and some of which contribute hundreds, thousands and even tens of thousands of dollars. Beyond the critically needed financial support, our donor base also consists of hundreds of people who donate food, and volunteers who 'roll up their sleeves' to become part of Food for Others performing our work. In 2015 volunteers have spent over 25,000 hours, in our warehouse and beyond in our Community, combatting food insecurity. And, all of these efforts are underpinned by generous support from Fairfax County.

These efforts combine to provide direct assistance to the aging, mothers fleeing abusive homes, single parents struggling to nurture their children, unemployed men and women, Veterans who need a hand, and to many others in our Community.

We are most proud of the work we do. We draw together disparate members of our Community. And together, we address needs of other members of our Community. Our efforts are powered by the sustaining contributions of time, talent and treasure entrusted to our common efforts.

Fairfax County takes deep pride in providing a robust safety net for its residents, not matched by many other communities. Food for Others is an important part of that net. For over 20 years, Food for Others has fought, and will continue in the future to fight, hunger in our Community.

Thank you for sustaining Food for Others, as we move forward to continue to help those in our Community who are experiencing difficult times in their lives.

Food for Others Highlights/Impact FY 2015

Warehouse-Emergency Food

Based on Referral

Provides 3-5 days' worth of non-perishable, nutritious food, plus milk, eggs and fresh produce and other food items to people living in Northern Virginia referred to us by social workers or other social service providers.

About 85% of individuals and families receiving emergency food through this program were residents of Fairfax County, where an estimated 1 in 15 people live in poverty.

Based on Low Income

Food for Others distributes monthly food provided through the US Dept. of Agriculture (USDA)

We distribute USDA food packages supplemented by food we collect from grocers, individuals, and other sources, for people who qualify based on low income.

Neighborhood Site Distributions

Volunteers pick up food at our warehouse and bring it out to 16 neighborhood sites in Arlington, Falls Church, and Fairfax.

- For low-income individuals to easily access free groceries.
- Every weeknight.

• The only question asked is “How many people are in the family?”

In FY2015 we served 910 families a total of 29,833 times through our Neighborhood Site distributions.

Power Pack Program (P3)

Volunteers deliver food to participating Fairfax County Public Elementary Schools.

- For students who may not have enough to eat over the weekend
- Each pack contains two days' worth of food
- Helps students stay full and focused at school.

In FY2015, about 2,155 children gained better access to food on weekends, as we served 29 schools (20% of Fairfax County elementary schools).

Community Partners

Provides bulk food items to 28 other community-based organizations.

Collaborates with churches, shelters, and other groups to make food available for the homeless, homebound, and children from low-income homes.

This year about 20 groups serving at-risk residents received groceries on a weekly or bi-weekly basis. In FY2015, Food for Others distributed 248,992 pounds of food to our community partners.

In FY2015 we distributed emergency food packages to people 22,517 times from our Merrifield warehouse totaling more than 1.3 million pounds of food.

Volunteers

In FY 2015 volunteers gave more than 25,500 hours of their time—the equivalent of 12 full-time staff members. Those listed here have given 100 hours or more in the past year. We appreciate all of our volunteers, too numerous to list, who help with picking up daily food donations, client intake, daily food distribution, and much more.
