

# FOOD FOR OTHERS POWER PACK PROGRAM FOOD DRIVE PLANNING KIT

# ABOUT FOOD FOR OTHERS

## OUR MISSION

Food for Others' mission is to distribute food to our neighbors in need by mobilizing our giving community and volunteers

We serve over 3,000 families in need each week. In Northern Virginia alone, over 105,000 people are experiencing food insecurity. Food for Others provides food for children, seniors, people who are sick or disabled, and the working poor who struggle to obtain enough nutritious food to live a healthy life. In FY25, Food for Others gave out over 3.1 million pounds of food across the community.

## OUR POWER PACK PROGRAM

Thousands of children in Fairfax County have little to eat between their school provided Friday lunch and Monday breakfast. The Power Pack Program (P3) fills this gap - ensuring these children have access to food over the weekends and arrive to school on Monday mornings fed and ready to learn.

We provide over 3,900 children across 47 Fairfax County schools with Power Packs every weekend during the academic year. We rely on support from the community to obtain food, assemble Power Packs, and deliver them to the schools we serve.
